Fine Gauge Punch Card Knitter

With the Model SK 270 fine gauge knitting machine, you can create light-weight knitted fabrics with fine and medium-fine yarns. And you can do it with ease. The 270 has a unique drum mechanism for needle selection. It lets you choose various attractive patterns in various stitch types, including Fair Isle, Tuck, Slip, Punch Lace, Weaving and Plating at the touch of the Cam Lever. Large Single Motif patterns up to 30 stitches wide and 60 rows long can also be produced from punch cards in combination with Magic Cams and Point Cams. For your convenience, 20 pre-punched cards are supplied with the machine and a number of options are also available, including Fine Lace Carriage and Knit Contour attachment.

Optional Ribbing Attachment FRP70

Converts your fine gauge knitter from a single bed to a 500-needle double bed machine. Will add a whole new dimension to your knitting. It will do much more than knit ribs to give a professional finish to your garments. With the FRP70, you can produce an incredible variety of new stitches, including Swing Rib, Fisherman's Rib, Punch Tuck Rib, Drive Lace, Mesh knitting and Pile knitting. Add the Yarn changer to knit Double Jacquard.

See a Model SK 270 soon. It's the knitting machine that's opening up new possibilities in home knitting.
